MEMORANDUM FOR THE RECORD:

SUBJECT: Discussion with Mr. DeWitt Sage of ICA

25X1C

1. I called Mr. Amory and told him of my conversation Saturday with Mr. DeWitt Sage of ICA during which Mr. Sage said that he had had several meetings on Friday with the Air Force and Mr. Loy Henderson of State with regard to payment of travel expenses and that the question constantly came up as to why the Russians were allowing this huge flow of refugees to cross into Austria when the border could be closed very easily.

2. Mr. Sage, who knows Mr. Frank Wisner quite well, mentioned that he was sick and asked me who his Number Two man was. I told him that [REDACTED] was the Number Two man, and Mr. Sage commented that he would either call General Cabell or [REDACTED] to see if he could get some idea of CIA's thinking on this problem.

3. Although the logical place to ask the question is the DD/I, I did not suggest this to Mr. Sage as I thought as long as he wanted to talk to General Cabell or [REDACTED] it would give the DD/I time to figure out what the answer was.
